2 Methodology of PS-U-GO ULLs

- **Timeline**

Phase 1: Design and Initiation

•**Goal:** Understand the local context, establish the theme, and define the general scope and vision for the ULL.

Phase 2: Operation

- Theme Choice:** Co-identification of needs and opportunities, with a priority on youth engagement.
- Co-exploration:** Lab sessions, on-site explorations, and urban masterclasses to gain new knowledge and co-develop draft ideas.
- **Experimentation and Co-creation:** Testing and prototyping ideas with support from external creative experts.
- **Urban Showcase:** Public sharing of the creative process and outcomes in an engaging and accessible way.

Phase 3: Evaluation and Feedback

•**Goal:** Gather feedback from participants and stakeholders to improve the process, methodology, and outcomes.
